Modernistic Club News

An appreciative audience turned out Sunday, December 2, at the 10:00 a.m. Sunday Church School hour, and also for the 11:00 a.m. Church Service.

Deacon John Watson, Supt., was present as usual for the church school period. The lesson for discussion was very interesting, and filled with helpful information. Subject, Why the Gospel of John? Devotional Reading: John 1:29-34. Lesson: John 20:30-31; 1:6-13; 17:1-3. The lesson was well taught by pastor Lawing.

The morning worship was very inspiring and all who attended the service gained helpful knowledge. Theme, "The Now Generation." The offering for the morning worship, was liberal. Lovely music was rendered by the Senior Choir at 3:00 p.m., at First Baptist Church a "Pew Rally" was sponsored by Mrs. Harriet P. James. The evening was well spent, and the program was extra good. The proceeds from the program went for the improvement of the community cemetery here in our town. Pastor Davis of First Church conducted the devotional hour. We rejoice with Mrs. James in rendering such a successful program, for the benefit of the community.

We are happy to report that both Mrs. Beatrice Pierce, and Mr. McKinley Auston, are still holding their own, in Lynchburg General Marshall Lodge Hospital. We are hoping, and praying that both patients will soon recover and return to their homes.

Weekly prayer services will be held, or was held, at the home of Ms. Dorothy Stevens this week. We hope the service proved helpful to all in attendance, as well as for those who were unable to attend. Keep up the good work, for there is no substitute for prayer.

Again you are reminded to attend the Candle Light Service to be held at Galilee Baptist on December 16, 1973, at 7:00 p.m. We invite all to attend if possible. Proceeds will go for Community Cemetery improvement. Sponsor, Sister H. B. Stevens.

In and out of town: Misses Hester and Helen Stevens visited Mesdames Herm Smith, who has been on the sick list for some time, and is improving nicely at this writing, and also a friendly visit with Maude Goff, in the hill city, Monday, December 3. The short visit was very much enjoyed.

See you next week!!!

Editor's Note: Veterans and their families are asking thousands of questions concerning the benefits their Government provides for them through the Veterans Administration. Below are some representative queries. Additional information may be obtained at any VA office.

Q Are WW II veterans eligible for pensions? I'm 65, and my wife and I need more than the $3,000 annual income we now live on. I served in WW II, but I wasn't wounded.

A - Any 65-year old veteran who served a minimum of 90 days and received an other than dishonorable discharge is considered permanently and totally disabled for pension purposes. As a married man with your income, you could be eligible for $69 per month pension at current rates.

Q -When a veteran who dies of service connected causes is buried in a private cemetery, will the Veterans Administration pay the $150 plot allowance in addition to the $800 allowance for funeral expenses?

A - No. The $800 payment is for all funeral costs, including a burial plot. However, if death occurs in a VA facility, an additional amount is payable to transport the deceased to place of burial.

Q - Is it true that veterans no longer have to apply for certificates of eligibility for education and training benefits? I hear that the Veterans Administration mails them to veterans so that they no longer have to apply in person. Because I didn't apply when I got out two years ago, will VA send nine through the mail?

A - The new system is keyed to the list of dischargees now being furnished by the Department of Defense. Because you were discharged before the automatic system was established, it will be necessary for you to file application for your benefits at the local VA office.

EDITOR'S NOTE: Veterans and their families are asking thousands of questions concerning the benefits their Government provides for them thru the Veterans Administration. Below are some representative queries. Additional information may be obtained at any VA office.

Q About six months ago, the Veterans Administration issued me a Service - Disabled Veterans Insurance (RH) policy. Does this policy pay dividends.

A No. Dividends are payable only on National Service Life Insurance and U.S. Government Life Insurance policies with "V" or "K" prefixed policy numbers.

Q As a World War I veteran drawing compensation from the Veterans Administration for a service connected disability, am I eligible for a $2,800 automobile allowance?

A No. This benefit is restricted by law to eligible veterans of World War II, Korean Conflict, Post Korean period, Vietnam Era and servicemen currently on active duty.

Q Do persons 72 years old or more who draw pensions from the Veterans Administration have to file annual income questionnaires?

A No. But while a recent law excludes these pensioners who have been on the rolls during two consecutive years from filing questionnaires, they still must report changes in income.
